1. [redacted] there is no apparent basis for a report concerning construction of guided missile installations at a point between Plovdiv and Burgas.*

2. [redacted] a construction project using large quantities of reinforced concrete in the Dobric area, which is about seven kilometers southwest of Dimitrograd and eleven kilometers south of Haskovo. [redacted] more likely [redacted] this project is for aircraft runways and underground hangars.

3. [redacted] this might even be some existing project connected with the development of the new industrial center of Dimitrograd.
